Killed by Mistake.

Last Monday evening a telephone message was received here by coroner Dr. J. T. Redwine and Sheriff John H. Robinson requesting the presence of those two officials out in Jordan township in the north part of this county, as the dead body of a man had been found there in the woods. Coroner Redwine and Sheriff Robinson immediately left for the scene, and on arrival had a jury empanneled and went to work taking evidence that night. The evidence as taken by the Coroner shows that the body found was that of Young Emmo 25 years of age, and that he came to his death by a gun shot wound secidently discharged by James P. Pritchett, a married man of 50 years of age and a driver by occupation.

Monday morning about 4:30 o'clock, Pritchett had heard a turkey gobbling about 3-4 of a mile south of his home and took his rifle a 25-20 winchester and started after it. After going some distance be called and got an answer from a hen between him and where he had heard the gobbler and about 80 yards away he thought he saw the turkey and shot. When the gun fired he heard some one holler and in-stead of going to him turned and went home, not knowing who it was. He went on home put his gun up and went to the office of the lumber company he the stubs, held forth on the south corner of the vacant lot on Mill and a load of lumber to Grandin and storm for the vacant lot on Mill and washington street Wednesday night, ed about 12:00 o'clock. The body was found by Pink Danner who was with a party composed of Jas, Issaes, Ed Davis, Will Hardasta and Hiram Barclay, and was found in the woods about 3-4 mile south of the home of Emmons on a hill, about 5:00 o'clock Menday evening. The hody was lying on one side, and a little turned on its face, there was blood on his face, hand and pante leg and in two places behind him. His double barrel shot gun was lying on a chunk in front of him, the caps on the gun showed that it had not been fired recently.

Young Emmons who was killed had also heard the turkey and had taken The body was found by Pink Danner
